4. ANAWRAHTA BIOTECH CO., LTD agrees that upon allowance and issuance of the above-captioned patent application as a United States Patent, all restrictions on the availability to the public of the deposit will be irrevocably removed, and until such time, the material will be available during the pendency of the patent application to one determined by the Commissioner to be entitled thereto under 37 C.F.R. 1.14 and 35 U.S.C. § 122.

5. ANAWRAHTA BIOTECH CO., LTD further agrees that the deposited material will be maintained with all the care necessary to keep it viable and uncontaminated for a period of at least five (5) years after the most recent request for the furnishing of a sample of the deposited material, and in any case, for a period of at least thirty (30) years after the date of deposit or for the enforceable life of the patent, whichever period is longer and that the deposited material will be replaced if the depository should be unable to furnish a sample when requested due to the condition of the deposit, such as inviability, contamination, or loss of capability to function in the manner described in the specification.

6. All statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Respectfully submitted,
